WEAVING THE WEB

creating conscious community

Celebrating Women is brought to you by a circle of women who want to foster women's community, inspire and empower women to realize their dreams, plant seeds for a better world, and have fun! We do our best to provide a safe and inclusive environment for participation at any level.

Keynote by Dr. BONNIE SACHATELLO-SAWYER

Creating Conscious Community – Consciously!

How, now, shall we live? Dr. Sachatello-Sawyer will present an interactive experience exploring the strengths women bring to innovative community-building.
